

Certificate in Christian Worldview Boyce College

The Certificate in Christian Worldview (CCW) is an intensive thirty-three (33) college credit hour program designed to be completed in one academic year and is intended to help establish a foundation in a biblical worldview in first-time students preparing for further studies in the university.

To accomplish these goals, the CCW contains the following experiences:

- General Education Foundation - Students complete twenty-one (21) credit hours of transferable general education courses selected to develop competencies in written communication, quantitative reasoning, reading intelligence, and cultural literacy intended to provide students a strong platform for further college studies.*
- Christian Worldview Focus - Students complete nine (9) credit hours of theology and worldview coursework intended to introduce students to the fundamental elements of a Christian worldview and to equip them for critical analysis of other worldviews they will likely encounter in university life.
- University Exposure - Through Southern Seminary's Metroversity agreement, students have the option to complete a three (3) credit hour Introduction to Philosophy course at a large metropolitan university. This transferable general education course will enable students to experience alternative worldviews in a setting not unlike those in which they may continue their studies.* A two-hour non-credit apologetics seminar provides students an opportunity to discuss their experience and raise questions with the Dean of Boyce College in an informal setting.
- Special Speakers - Students will spend at least two sessions with Dr. Albert Mohler, noted author, public commentator, and President of The Southern Baptist Theological Seminary discussing matters of worldview and college life. Christian recording artist Marcus "FLAME" Gray will guest-lecture on real world apologetics strategies.
